

Q. Bogey-free round today. What was the key for you?

MIGUEL ANGEL JIMENEZ: Well, the key is hitting good from the tee, good shots (indiscernible) and hole some putts, super. I played very solid today. The keys from tee to greens and also (indiscernible) on the greens is very solid, very solid. That's what it is. Still some more (indiscernible) on the golf course, but happy with the round, 8 under par is a good round and it's good.

Q. Did the course play differently at all today, because you and a few other people were able to go much deeper today?

MIGUEL ANGEL JIMENEZ: No, the condition of the golf course is superb, nice temperature, nice weather. You hit some good shots, put the balls where you need. The conditions are superb.

Q. Is it really important to get to the position that you get at? I mean, you're leading it right now, but to make that move on a Saturday?

MIGUEL ANGEL JIMENEZ: Of course. Moving day like people say, no? We are moving day. 8 under par today, it's a bogey-free round, very solid, consistent.
