

ROUND 2 QUICK QUOTES
August 15, 2026

SÖREN KJELDSSEN (-7)

Q. Sören, 7 under, 5 under for the day. Take us through your round.

SÖREN KJELDSSEN: Yeah. To be fair, I felt good after yesterday. It was sort of a little bit of a battle, and with that chip-in on the last hole yesterday, I felt good coming out. Then I birdied the first three and then I had a little hiccup after that, but straight back into playing well after. So it was -- obviously it's not a clean card, but hitting a lot of good shots, making some putts as well. I feel I'm in a good place.

Q. When we had that week off since Portugal, have you been working on anything in particular or did you just kind of spend some time with the family?

SÖREN KJELDSSEN: Yeah, we stayed in Portugal for the week and played a little bit of golf with my boys, which was great. Probably got me into a little bit more of a relaxed attitude as well. I felt I got a couple of feels with my swing that I could bring here, and when I got here I did feel more comfortable sort of hitting the long shots.

Q. Do you feel that when you first came out here and you played well, very well, you put maybe a little extra pressure on yourself to get across the line?

SÖREN KJELDSSEN: Yeah, for sure. And I think I did earlier this year as well. I had sort of like four good finishes within five weeks but without winning and I'm sort of like, for a little while there the only thing that got into my mind was I need to cross the line, I need to cross the line. Then I started playing poorly. So I'm going to take that with me going forward and try not to make that mistake again.

I was playing nicely, I had a nice rhythm going with everything I was doing, and suddenly I was chasing and then it all went out the window. I think these two rounds this week I sort of got a little bit of flow back into my game and I'm going to -- I'm not going to look at that leaderboard this time.
